

The 2017 Supplement to the *African Violet Master List of Species and Cultivars*

This is the 2017 supplement to the *African Violet Master List of Species and Cultivars* (AVML, formerly MVL). This supplement includes all cultivars appearing in the 2017 Registration Reports, descriptions of non-registered cultivars provided by hybridizers during that same period, and changes to previous listings. The AVML

and its supplements provide a timely, concise, and accurate tool for classifying, judging, and exhibiting African violets.

Send corrections and/or hybridizer's descriptions of cultivars to Joe Bruns, 1220 Stratford Lane, Hanover Park IL 60133-2667, or e-mail jbruns@qwip.net.
