

Nominations for Best Variety List

The African Violet Society of America annually conducts a vote to discover which African violet varieties are currently considered favorites by growers. Any African violet grower may submit a list of 5 favorite violets annually for tabulation. Each year the lists submitted will be tabulated to identify the top 25 Best Varieties of African violets for the year. Results will be published in the *African Violet Magazine* and on the website. Voters may only submit one list per year.

List up to 5 plants in any order.

List must be postmarked no later than **June 30** of each year.
