Enjoy an evening of good food and fun right in the comfort of our hotel. No bus rides or worrying about the weather. The evening begins with a Hospitality Hour and cash bar from 5:00 – 6:00 p.m. that is open to all convention attendees to catch up on the day's activities.

Those on tour will then transition to dinner and an evening that is sure to delight. Dinner chatter may be about sales room treasures, beautiful show room plants or what was learned at the presentations.

After dinner, enter Griffin Holtby. With his acoustic guitar and energetic performance, 25 year old Griffin brings heart and connection to every performance, touching on his own winding journey of love, rejection, abandonment and perseverance.

Adopted from Russia as an eight month old, Holtby grew up in Dallas and includes the resilient Texas spirit in all his music, proudly capturing the attention and hearts of his audience with vulnerability and honesty. Whether singing pop, rock, country, or blues, it is clear he was born to entertain.

You won't want to miss this evening of fun, food and music!
