## DESIGN DIVISION

### Section XII – Interpretive Plant Arrangements

Each exhibit in this section is a design using one or more blooming African violet plants removed from their pots, with their root balls encased in plastic or other material.

- Dried, treated, painted, colored and fresh-cut plant materials, as well as man-made materials, are permitted.
- Artificial plant material, live or dead creatures, and flags are not permitted.
- Accessories and backdrops are permitted unless restricted by class description.
- Only one exhibit per exhibitor per class.
- All niches will be white foam board. Exhibitors shall use niches provided by AVSA (not exhibitors' niches).
- Limit five (5) exhibits per class.

- Class 76. **Dallas Cowboys** (professional football team) – To be staged in a niche **20" H x 16" W x 16" D**.  
77. **Houston Astros** (professional baseball team) – To be staged in a niche **20" H x 16" W x 16" D**.  
78. **Dallas Stars** (professional hockey team) – To be staged in a niche **18" H x 14" W x 7" D. May extend to 14" D**.  
79. **San Antonio Spurs** (professional basketball team) – **Freestanding design** on a white 14" round. Not to extend beyond the 14" round. Height unrestricted. No backdrop permitted.

### Section XIII – Interpretive Flower Arrangements

Each exhibit in this section is a design using fresh-cut African violet blossoms.

- Dried, treated, painted, colored, and fresh-cut plant materials, as well as man-made materials, are permitted.
- Artificial plant material, live or dead creatures, and flags are not permitted.
- Accessories, backdrops, and/or draping are permitted unless restricted by class description.
- Only one exhibit per exhibitor per class.
- All niches will be white foam board. Exhibitors shall use niches provided by AVSA (not exhibitors' niches).
- Limit five (5) exhibits per class.

- Class 80. **Texas Rangers** (professional baseball team) – **18" H x 14" W x 7" D. May extend to 12" D.**
81. **Dallas Cowboys Art Collection** – Mirror Image arrangement. Design displayed not more than 5" in front of and 5" behind a 10" high x 8" wide black frame. Frame will be furnished. No backdrop permitted.
82. **FC Dallas** (professional soccer team) – To be staged in a niche **10" H x 8" W x 4" D. May extend to 8" D.**
83. **Dallas Mavericks** (professional basketball team) – To be staged in a niche **10" H x 8" W x 4" D. May extend to 8" D.**
84. **Sky Mirror Fountain** – Create an underwater arrangement reminiscent of the colors of the Texas sky. To be viewed from the front only, not to exceed **12" H x 12" W x 12" D.** No backdrop permitted.
85. **Houston Rockets** (professional basketball team) – Create a hanging design. Exhibitors must provide their own dowel. **18" H x 14" W x 7" D.**

### Section XIV – Container Gardens

Each exhibit in this section is a miniature landscape with one or more blooming African violet plants and other growing material.

- All plants must be planted within the container.
- No cut plant material, artificial plant material, cacti, succulents, live or dead creatures, or flags are permitted.
- Accessories and landscaping elements are permitted.

## SPECIAL EXHIBITS DIVISION

### SECTION XV – EDUCATION EXHIBIT

- Class 90. Education exhibit (by invitation only)

## HORTICULTURE DIVISION – AMATEUR Rules and Regulations

1. Only amateur AVSA members in good standing who are registered at this convention and AVSA commercial members in good standing who are registered at this convention and **do not** offer plants or live plant material for sale as a part of a business are eligible to enter exhibits in this division.
2. Entries will be accepted on **Wednesday, May 27th from 8:00 a.m. to 10:30 a.m. and Noon to 5:00 p.m.**
  - a. An online entry form is requested for all potential entries. Online forms will not be accepted after May 20, 2026. Early submittals will be accepted via the convention "[Horticulture Online Entry Form](#)" webpage or by completing a Show Entry Form and emailing it to [ConventionEntries@gmail.com](mailto:ConventionEntries@gmail.com). Exhibitors that cannot provide information in advance may bring a completed form to the Entries area on Wednesday, May 27.
  - b. Exhibitors must report to the Classification and Entries area with their entries and completed entry form(s) to begin the entry process. A printed description for each entry will expedite the classification process. Plants should be ready to begin the entry process before **4:00 p.m.** Exhibitors must be available in person or by phone during the entry of their plants.
  - c. Exhibitors with 20 entries or more must begin the entry process by **3:00 p.m.** No exceptions.
  - d. Entries must be physically in the Classifications and Entries area by closing at 5:00 p.m. Only Placement may touch the entry once the entry process has begun. After Classifications and Entries have completed, Placement will move the exhibit to the proper location in the show.
  - e. If an entry is not entered by the owner, the name of the person making the entry must be on the back of the entry tag.
3. Only clean, healthy plants which have been in the possession of the exhibitor for at least three months will be accepted.
4. Plants must be correctly named.
5. Double potting, flared-top pots, supports, and collars will not be accepted. All pots must be non-decorative. Self-watering pots, such as Moist-Rite, Hydro Pots, and Oyama, etc., may be entered in colors such as white, black, green, or any neutral tone. All other plants must be slip-potted into pots in colors such as white, green or any neutral tone. Slip-potting means dropping the pot containing the plant into a clean pot of the same or just a fraction larger-sized pot. The bottom of the pot containing the plant must be completely covered with plastic or aluminum foil. This must be worked out prior to entry. Exception: trailers, trailing species, trailing gesneriads, and gesneriads in protective containers may be exhibited in the containers in which they are growing.
6. Exhibitors may enter any number of plants in a class but may enter only one plant of a cultivar per class in Classes 13 through 75.
7. An exhibitor may enter plants of the same cultivar in Classes 1 through 12, as those in Classes 13 through 64, if all the requirements for each class are met.
8. An exhibitor may enter multiple Collection Classes but may enter only one collection in each class.
9. All plants in Classes 1 through 64 must be single-crown plants except trailers and species, which may be multiple-crown. All Saintpaulia species and variations, without exception, may be entered in Classes 3, 58 and 64.
10. Any number of new cultivars may be entered, provided they have been originated by the exhibitor from hybridization, from purchased seed, or from mutation, or the released rights in writing from the hybridizer have been given to the exhibitor for purchased seedlings. New cultivars may be entered by number or name, and the entry tag must indicate whether it is a new cultivar from seed or mutation. A sport (mutant) may be exhibited as a "Sport of \_\_\_\_\_." If a name has been given to the sport, the name in parenthesis may follow, such as "Sport of 'Valencia' ('Dale's Dream')." New cultivars must not have been previously shown in an AVSA Convention Show.
11. Gesneriads (other than African violets) may be exhibited in protective containers, and natural-colored mulch may be used on the soil surface.

12. Streptocarpus specimens will be entered in appropriate color classes according to hybridizer's description. If a written description is not available, the streptocarpus specimen will be entered in the appropriate color class by predominate color.
13. Exhibits will be judged by the merit method of judging, in accordance with the most current version of the AVSA Handbook for Growers, Exhibitors and Judges. The decision of the judges will be final unless in conflict with AVSA rules or rules of the schedule. Only qualified AVSA advanced, senior, and master judges will be permitted to serve as judges.
14. Only blue-ribbon winners will be eligible to receive special awards.
15. Any African violet entered in any of the collection classes, receiving a blue ribbon, will be eligible for other awards.
16. AVSA will afford all possible protection to exhibits but will not be responsible for any damage or loss.
17. Exhibits must be checked out on Saturday night, May 30, 2026. Instructions for checkout will be given at convention.
18. Live streaming and photography of the preparation of show entries in any location is not permitted and will be cause for disqualification from exhibiting in the show and/or removal from the entries area.
19. All types of photography, video recordings and social media posts are strictly prohibited during judging.
20. Convention show photos and videos may be posted to social media only after the show has been officially opened to the public. This includes photographs or videos that identify the subject as a show entry.

### **DESIGN DIVISION Rules and Regulations**

1. Exhibitors – Both amateur and commercial AVSA members in good standing and registered at this convention are eligible to enter exhibits in this division.
2. Entries – Entries will be accepted Wednesday, May 27, 2026, from 8:00 a.m. to 10:30 a.m. and from Noon to 5:00 p.m.
3. Each exhibitor may have only one exhibit per class.
4. Design work – Exhibitors will be permitted to work on their designs until 9:00 p.m. on Wednesday, May 27, 2026. This time will be strictly enforced. Designers may replace blooms and touch up designs on Thursday, May 28, 2026, from 6:30 a.m. until 8:00 a.m. Exhibitors must be out of the showroom by 8:00 a.m.
5. Procedure for getting supplies from commercials at convention can be found online at [Attention Designers](#).
6. Index card – All exhibits must have a 3" x 5" card listing the African violet cultivars and other plant materials (if known). A written subtitle may also be included on the card.
7. Advance written reservations are required for all design classes. Exhibitors desiring to enter designs must submit a completed reservation form available at [Attention Designers](#). Reservations may be made as soon as the convention packet is available; the deadline for reservations will be May 4, 2026. Email or text message your reservations to Design Entry Reservations Chair, Annie Hibbs, [annieslp@yahoo.com](mailto:annieslp@yahoo.com), (214) 417-1007. All requests for reservations will be confirmed either by email or phone call/text message. If you need to cancel your design reservation, please let Annie know as soon as possible so that space can be used by another entrant on the waiting list. To cancel confirmed reservations or ask questions, you may call or text message Annie at (214) 417-1007.
8. No part of any design may touch or extend beyond the confines of the niche or space limitations, unless otherwise noted.
9. AVSA will afford all possible protection to exhibits but will not be responsible for any damage or loss.

## **SECTION XVII – DISPLAY TABLES AND COMMERCIAL SHOWCASES**

- Class 120. Display Table
- 121. Commercial Showcase – Horticulture only
- 122. Commercial Showcase – Artistic. Include a creative aspect

### **HORTICULTURE DIVISION - COMMERCIAL Rules and Regulations**

1. Only commercial AVSA members in good standing and registered at this convention who offer plants or live plant material for sale as a part of a business are eligible to enter this division. All commercial exhibitors are eligible to enter the Design Division.
2. For dates, times and entry process for entering exhibits, please refer to Rule 2 under HORTICULTURE DIVISION – AMATEUR.
3. All plants must be correctly named and must have been in the possession of the exhibitor for at least three months prior to convention. All African violets must be in bloom and must be single-crown plants, except trailers and species.
4. Streptocarpus specimens will be entered in appropriate color classes according to hybridizer’s description. If a written description is not available, the streptocarpus specimen will be entered in the appropriate color class by predominate color.
5. In the Specimen Plant section, exhibitors may enter any number of plants in each class, but only one plant of a cultivar per class. Exhibitors may enter plants of the same cultivar in the AVSA Collection Classes 91 through 94 as are entered in the other classes.
6. Exhibitors may enter one collection in each collection class. AVSA collection rules are the same as they are for amateurs.
7. Any African violet plant in Classes 95 – 98 and 120 – 122 may be designated as competing for the AVSA Best New Cultivar Awards. Entries may be seedlings, sports, or mutants originated by the exhibitor, or rights and ownership to them released by the hybridizer and must not have been previously shown in an AVSA Convention show. Each entry must be labeled “New Cultivar.”
8. An exhibitor entering the Display Table class may also enter other design and commercial classes. Each display table shall contain 15 plants (no merchandise). Three, all the same type, miniatures or semiminiatures, or miniature or semiminiature trailers, shall count as a specimen plant and shall be judged as one unit. The display must be predominantly (at least 75%) African violets. Other gesneriads may be included in the 15 plants and will be judged as one unit. AVSA will provide tables with black table covers for display tables; however, display tables may be covered with any color or pattern at the exhibitor’s discretion. A 6-foot table with three tiers will be furnished for each exhibitor in the Display Table class. Colored lights which distort or enhance the color of the plants will not be permitted.
9. Exhibits in the Commercial Showcase classes will be allotted table space sufficient for their display. Table covers will be black. Exhibits in these classes shall contain 6-10 plants, either miniature, semiminiature, standard, or trailing African violets, or other gesneriads. Showcases must be predominantly (75%) African violets or designs using African violets. The Showcase-Horticulture only class, shall be a collection of 6-10 plants, (exhibitor may designate one plant as a unit or three plants as a unit) with NO embellishment. The Showcase-Artistic class must include a creative aspect and may include designs (flower or plant arrangements or container gardens) incorporating African violets. Showcases-Horticulture and Showcases-Artistic shall both be judged on horticultural perfection. Horticultural perfection shall be computed by finding the average points per plant in the Showcase. No merchandise will be allowed in these classes. Awards for the Showcase-Horticulture only class, shall be based 100% on horticultural perfection. Awards for the Showcase-Artistic class, shall be based on 80% horticultural perfection and 20% on distinction and originality. Awards will be given for best, second-best and third-best for the Display Table, Showcase-Horticulture only, and Showcase-Artistic classes.

10. In Commercial Showcases, each entry in the exhibit will be judged. Showcase-Horticulture only class shall use standard plant name and entry tags supplied by Entries. In the Showcase-Artistic class, the exhibitor has the option to use the standard plant name tag provided by Entries, or to provide his or her own tag or diagram. The entry book number of each plant or arrangement must appear on the tag or diagram. For the Showcase-Horticulture only class, no ribbon awards will be given. Instead, each showcase with all blue-ribbon exhibits will receive a rosette. A point score sheet shall be given to each exhibitor showing how awards were determined. (Please note: An exhibitor may choose to NOT have their Showcase judged).
11. Signs, cards, or codes identifying the exhibitor may not be displayed on the display tables or Commercial Showcases until the completion of the judging.\*
12. Any shape and type of pot for specimen plants will be permitted except flared top pots. Supports and collars will not be permitted. Pots in the specimen plant section must be slip-potted into clean, non-decorative pots in colors such as white, green, or any neutral tone. The bottom of the pot containing the plant must be completely covered with plastic or aluminum foil. The pot is then inserted into a pot of the same size or shape. The inside pot may be of any color and may extend above the rim of the outside pot. Exceptions to slip-potting are self-contained reservoirs (i.e., Oyama, Moist-Rite, Hydro Pots, etc.) in colors such as white, green, black, or any neutral tone. Pots in the Display Table class do not have to be covered and may be elevated and tilted with individual potholders.\*
13. Exhibits will be judged by the merit method of judging, in accordance with the most current version of the AVSA Handbook for Growers, Exhibitors and Judges. The decision of the judges is final unless in conflict with AVSA rules or rules of the schedule. Only qualified AVSA advanced, senior, and master judges will be permitted to serve as judges.
14. Only blue-ribbon winners will be eligible to receive awards.
15. Exhibits in the Display Table class and the Commercial Showcase classes will not count toward Commercial Sweepstakes or Design Sweepstakes Awards.
16. Rosettes will be awarded as merited to the exhibitors receiving first, second, and third highest number of points in each Display Table and Commercial Showcase class. An Honorable Mention Rosette will be awarded to the exhibitor receiving the fourth highest number of points.
17. AVSA will afford all possible protection to exhibits but will not be responsible for any damage or loss.
18. To reserve a display table, space for a Commercial Showcase or for further information, contact Kathy Bell, 9611 E. Blanding Lane, Tucson, AZ 85747, email [bellkk@peoplepc.com](mailto:bellkk@peoplepc.com). Reservations must be made no later than **April 24, 2026**.

\* Amended Rule 11 and combined the original Rules 12 and 13 to become only Rule 12. Remaining rules are renumbered accordingly.
